Sir,

Subject Municipal grant to the 7th Annual Conference

& Sanction

With reference to your letter No L 4389 dated 15-7-1953 on the above subject, I write to state that incurring of an expenditure of the kind was considered necessary for various reasons As explained in my previous letter, Conferences of the kind have an educative value to the Health Inspectors and Assistant Health Inspectors on account of the opportunities afforded to them to exchange their ideas re their work During the Session, they have had the advantage of listening to lectures by Officers and men versed in public health The Government also have provided facilities of meeting the actual cost of the journeys to be performed by these staff of officers and officials whenever such Conferences are held The sanction is admissible under Sec 61(u) of the City Municipalities Act inasmuch as the expenditure is one likely to promote public health of this city in particular

As regards the necessity for sanctioning the grant, it is to be stated that the Conference was held this time in this city alone and considering that such grants were being made by other local bodies, the Council felt that they should also make a similar grant in the interest of its officials Moreover, no expenditure was incurred as T A to the staff as the Conference was held here alone

In these circumstances I request you kindly to obtain orders of Govern ent sanctioning the grant

Yours faithfully,
(N Lakshman Rau)
Municipal Commissioner
